AWARDS EVERY SESSION

No Athlete Designation for Team (top 3 scores count). Top 5 Teams Awarded

Athletes Divided by Birth Date into Small Award Groups

100% All Around Awarded

All Athletes Recognized for their Commitment & Accomplishments!

Now for the really fun stuff....Tim Rand started the tradition years ago, of rewarding athletes with “Twister Bucks” throughout their competitive session and at awards. After the awards ceremony, athletes spend their Twister Bucks at the “Mall Table”. The Mall Table has all sorts of wonderful, kid friendly items to purchase. The athletes have a great time, and the best part—they can spend their cash however they want!

Twister Bucks are earned in numerous ways. Everyone starts out with some cash already. They are then additionally rewarded by their scores on each event and the all around, by showing aggressive rhythm on bars, performing a leap with great amplitude on beam, explosive or high tumbling, a no fall routine, artistry on floor that goes above and beyond, and of course, sticking landings. NEVER will you see the athletes try so hard to stick their landings!

Get your athletes excited now! They could do a lot of damage at the Mall. A complete list of “earning potential” will be available on event day.

Earn those Twister Bucks!
