# SENIOR SPOTLIGHT - CLASS OF 2025

**COLTON BRANTLEY**

Colton Brantley has been competing in gymnastics for eleven years, currently as a Level 10 with Orlando Gymnastics under the coaching of Stephen Gragg and Chad Bosch. Colton was introduced to gymnastics at the age of 5 by a friend at his birthday party at his local gym. Ever since that party, Colton has been involved in gymnastics at Orlando Gymnastics. After being invited to join the competitive team, Colton competed at the compulsory level, which then allowed him to attend Regionals four times. After taking a two-year break due to COVID-19, Colton returned and began competing at the optional level. Since then, Colton has participated in multiple camps, including the State Elite Camp, qualified for Nationals, and became Orlando Gymnastics' first team captain. Colton has also medaled at two Regionals and two Eastern Nationals.

Colton currently attends Freedom High School in Orlando, where he is a part of the Top Orchestra Program, Dual Enrollment and AP programs, the National Honor Society, and the Ceramics program.

Upon graduation, Colton hopes to continue gymnastics and coaching while pursuing a degree in Environmental Engineering at Florida State University or the University of Central Florida on a Full Academic Scholarship. Colton is incredibly thankful for the support and encouragement from his parents, Cathy Brantley and Will Brantley throughout his journey.

# SENIOR SPOTLIGHT - CLASS OF 2025

Brandon Gagnard began his gymnastics career before he could walk. Progressing quickly through toddler classes, he was practicing with the competitive teams before he was old enough to compete himself. As a military child Brandon has been a member of many gyms around the country and able to compete in several states, including Ohio, Florida, Georgia, and Tennessee.

He excelled at pommel horse/mushroom putting in the work and determination both in the gym and on home equipment to master the apparatus, holding his Ohio gym's record of 105 straight circles on mushroom. Progressing into the Optionals program, Brandon put in the same work to qualify for Nationals three times and Regionals ten, medaling in pommel, floor and parallel bars.

Brandon has found that every challenge was a lesson and each fall was an opportunity to get back up and do it better.

In addition to gymnastics, Brandon is an accomplished Eagle Scout in the Boy Scouts of America earning 52 merit badges, 6 Eagle palms, and Brotherhood member status in Order of the Arrow. As part of his project he built a 10x30' multipurpose stage as the centerpiece of a local camp serving youth so they can hold events, ceremonies, and skits at the fire circle auditorium. Despite hurricanes, pandemic, and world-wide material supply shortages, Brandon's determination to make a difference in the community will stand as a proud achievement in what can be done when you set your mind to it.

Brandon continues to retain a 4.0 GPA as a dual enrolled high school student while also earning his AA degree at Hillsborough Community College with the intent to transfer to University of South Florida to major in Computer Engineering. Brandon is incredibly thankful for the support and encouragement from his parents, Brent and Michele Gagnard, throughout his journey.
